Award Description	<p>The Delaware Department of Agriculture was awarded this grant to assist our aquaculture producers with the high cost of feed in 2008. Delaware submitted the required workplan which was approved in August 2009. The open application process for Delaware aquaculture producers to apply for funds closed on September 4, 2009. We received one application. That application is currently under review. We are required to seek input from USDA/FSA on applicants to ensure compliance with cost share limits imposed on producers. Upon receipt of that FSA feedback, we will complete the producer application process. We have worked with the states of Georgia and North Carolina to coordinate payments to the one qualified applicant,</p>
